

Mild Steel Studding

- Threaded rod available in 1 metre and 3 metre lengths
- Metric coarse thread
- Pre-packed nuts and washers to accompany the studding are available
- All steel studding is mild steel Grade 4.6

Code	Finish/Material	Length	Size	Colour Code	Pack Quantity
BSTZ06	BZP	1 Metre	M6	Orange	25

Machine Screws

- Available countersunk or pan head
- Metric full length thread
- Mild steel Grade 4.6
- Zinc coated for corrosion resistance
