RRFSLAT	Slaters Felt BS747	22.5kg	1F	15 x 1 Metres	14.25m2	Black	1

Rubble Sacks

- Heavy duty polythene sacks for aggregate and builders rubble
- Reinforced seams ensure that the bags do not split under heavy loading

Code	Thickness	Width x Length	Colour	Pack Quantity
RDSPR500730	100mu	500mm x 730mm	Black	100
RDSPR530840	125mu	530mm x 840mm	Black	100

Rigid Buckets

- Durable, rigid, plastic buckets with pouring lip
- Holds up to 3 gallons / 14 litres
- The buckets have measurement markings internally to help with mixing
- Plastic covered wire handle

Code	Size	Colour	Pack Quantity
RBUBPB	3 Gallons / 14 Litres	Black	1
RBUBPY	3 Gallons / 14 Litres	Yellow	1

Flexi-Tub Buckets

- Medium or large litre buckets with strong handles for easy carrying
- Made from flexible, recycled plastic
- Variety of uses including on site and in the home

Code	Size	Colour	Pack Quantity
RBUBF20B	26 Litres	Black	1
RBUBF20Y	26 Litres	Yellow	1
RBUBF40B	42 Litres	Black	1
RBUBF40Y	42 Litres	Yellow	1

Pallet Wrap

- Also known as shrink wrap
- Extended plastic core for ease of use and durability for use outdoors
- Strong and puncture resistant

Code	Width	Length	Thickness	Colour	Box Quantity
RDSPW40025020	400mm	250 Metres	20mu	Clear	6

Expansion Joint Filler

- A closed cell expanded polyethylene foam
- Used in concrete slab construction and brickwork joints
- Robust and non-absorbant, resistant to attack by most acids and alkalis

Code	Thickness	Width	Roll Length	Rolls Per Pack
REJFF1010100	10mm	100mm	10 Metres	10
REJFF1010150	10mm	150mm	10 Metres	5
REJFF1010200	10mm	200mm	10 Metres	5

Hessian Frost Protection Sheet

- A hessian frost protector sheet for shielding brickwork, mortar and other work in progress from frost

Code	Size	Size	Pack Quantity
RYHFP	50 Yards x 54"	46 Metres x 1370mm	1

Debris Netting

- For use in construction and scaffolding to protect workers and the public
- Made from UV stabilised polyethylene monofilaments which creates an open mesh netting
- Also can be used for a barrier or as a general netting in gardens or allotments

Code	Width	Roll Length	Colour	Rolls Per Pack
RYDNG05002	2 Metres	50 Metres	Green	1

Sandbags

- Integral drawstring
- Rot proof bags have been chemically treated to minimise decomposition and increase longevity

Code	Type	Size	Size	Pack Quantity
RYSBHE	Standard Hessian	330mm x 762mm	13" x 30"	50
RYSBRP	Rot Proof Hessian	330mm x 762mm	13" x 30"	50
RYSBPP	Polypropylene - White	330mm x 762mm	13" x 30"	100
